

Welcome to all our whanau/families for the first term of 2019. We hope that you all have had a great break over Christmas and the New Year and are enjoying the hot weather.

We had a very busy holiday program with the two age groups 5-8's and 9-13's having separate programs for both age groups. Please view our photo gallery on page-02.

We trialled the demand for our service throughout the 27 th Dec 3 rd Jan and only closed for the statutory holidays during this period. We discovered that there was 'no demand' therefore we have decided that this year we will close on the 24 th Dec and re-open on the 3rd Jan 2020.

This will give the staff a break and give management an opportunity to thoroughly clean the centre as well as fix broken equipment.

We will welcome your feedback on the two separate age group programs and the proposed closure over Christmas. Please inform staff or email management on admin@cornerstonechildren.co.nz.

Also, if you would like to contribute any ideas toward our program please put it in an email and send it to the above email address.

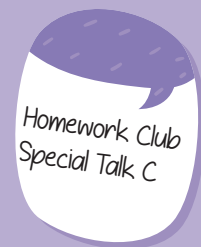

This year Kid Central will be offering our parents 'teacher only days' @ \$40 per day from 6:30am - 6pm. The day will be organised similar to a holiday program day. You will need to notify our admin staff two weeks prior (if possible) to the 'teachers only day' in order for Management to organise staff. This is important for our team to provide appropriate care on the day. Please take the time to view your child/rens school calendar and send through your 'teacher only days' for booking purposes. To contact admin staff

email: admin@cornerstonechildren.co.nz

We are rolling out a new software package called Aimyplus.com. It is very important that all parents/caregivers enrolled at Kid Central download the App to their phone or computer and login using your nominated email address supplied to Kid Central via enrolment forms. We need our parents to update their personal information and childrens information eg Emergency contact details

This term we are continuing with our after school program and are proud to announce that we have partnered with Pomare Foundation Swim School. We are offering an exclusive deal for families enrolled at Kid Central, that we will continue with swimming lessons for this term at the Aquatic Centre on Thursdays after school and children will be coached by instructors from 4 -5pm (TBC) at the one off price of \$60 for nine weeks. Please contact Maria on 02041575057. Please be in quick to secure your childrens spot, there are limited spaces available.

For term 2 & 3 we will endeavour to partner with the Waikite Gym for gym work or box fit. We will keep you updated.

Special Note:

On March 16 th 2019 Lorin and Mikere will be participating in the IronMaori Triathlon in Taupo. The business is willing to sponsor two other children to participate in this event (parents must accompany their child/ren to this event). Please see Lorin or contact Lorin on 0272923296.

(x2) these contacts need to be two people who are NOT the parents or primary caregivers. They can be friends, colleagues, aunts, grandparents etc people we can contact besides parents/caregivers. This software package will enable parents to make bookings, receive invoices, sign children in/out using our lpad, view your childs involvement while attending Kid Central and leave notes for admin staff.

This term we are only taking bookings for 5 x mornings, 5 x afternoons or 5 x Before/After School Care.

Please view our 'photo gallery' for our Jan/Feb holiday program.

We are also looking at putting in a playground later this year and are seeking a community sponsor to make this possible for our children. If you have any ideas please see Lorin.
